

Getting Ready for the Gold Circle of Quality– Licensed Child Care Centers Assessment Path

Working towards and/or maintaining an ExceleRate® Illinois Circle of Quality is a process with many parts. To assist programs in achieving their goal, this checklist is provided to be used as a working document- along with the ExceleRate Illinois Overview chart for Child Care Centers - to help track progress. While all areas are important, the following areas are highlighted due to the amount of time needed to accomplish the domain/standard.

Required Training

For the Gold Circle of Quality the following training is required. Please check your local CCR&R's training calendar or the statewide training calendar for availability. For complete details refer to the Overview chart for Child Care Centers. Completion of required training is verified by INCCRRA and must appear on Section 3, 4, or 5 of the staff members Professional Development Record (PDR).

Domain/Standard	Topic/Title	Required Attendees (minimum)
NA	ExceleRate Illinois Orientation - Revised 12/21	Administrator
1A	An Introduction to the Environment Rating Scales or How ERS Works*	Administrator 50% of teaching staff
1F	Welcoming Each and Every Child or Special Care	All classroom staff
3A	Getting Ready for the Program Administration Scale (PAS) - 2nd Edition	Administrator
3A	Taking Your Program to a Higher Level with PAS - 2nd Edition	Administrator (recommended, not required)

*Staff should complete training applicable to the ERS used in their classroom

Credentials

Domain/Standard	Director Qualifications	Staff Qualifications
4A	Gateways Illinois Director Credential Level II or higher or Illinois Principal Endorsement	
4B		At least 20% of teaching staff have a minimum of a Gateways ECE Credential Level 5, additional 20% teaching staff have a minimum of a Gateways ECE Credential Level 4 and 40% of teaching staff in infant-toddler classrooms have a Gateways Infant Toddler Credential Level 3

Administrator and Teaching staff must hold the applicable Gateways Credential, or have a pending application on file. If not meeting the applicable Credential, the program administrator/staff may write a CQIP to outline goals, action steps, specific coursework/training the individual can accomplish over the year to work towards the applicable Credential. The program administrator/staff should use the letter each individual received from the Credential Department to guide CQIP development in what coursework/training is needed. **Updated CQIP of accomplishments will be required at annual report and progress must be shown towards Standards 4A and 4B Credential attainment.**
